# AMERICA TO BUILD RUSSIA'S NEW NAVY

Schwab Convinces Admiralty That He Can Produce Best Ships.

## VESSELS ARE TO BE MARVELS.

Of 16,000 Tons Each, Armed With Best Ordnance, and Protected by Superior Plates to Outrank Others.

St. Petersburg, April 28.-American superiority over foreign rivals again triumphs in the complete success which has crowned the visit of Charles M. Schwab has succeeded Mr. Knowles as Mr. Tarto St. Petersburg.

Mr. Schwab's negotiations with the Russian Admiralty have resulted in the practical conclusion of an arrangement formidable line-of-battle ships of a Mr Hyde wrote the following letter to type which probably will startle the Mr. Knowles:

to morrow. The details of the construc-tion of the tessels remain to be worked out, but in addition to those which will be built in the United States it is quite likely that a yard will be constructed at a Baltic port to be manned by Russian workmen, but under American engineering and mechanical supervision, the Russian Admirally being extremely anxious to utilize the rehabilitation of the may for the embouragement of the shipheliding in-dustry at home, in order to eventually render the country independent of the for-eign varies. render the country independent edges varies.

The Admiralty has accepted Mr. Schwab's propositions strictly on their merits, he having convinced the authorities that he can produce for Russia war hips vastly superior to envitning new affect, or at present projected by any other Governant projected by any other Governant They will be monster is no too ton ves-

seek, of enormous horse-power, and of a seek, of enormous horse-power, and of a peculiar type, combining the projectio-re-cisting power of the hattleship with the speed and wide radius of action of cruis-ers. They will be delivered fully equipped as to armor and ordnance.

Speed and wide radius of action of cruisers. They will be derivered fully equipped as to armor and ordnance.

GUARD CONSTRUCTION SECRET.

The remarkable advance in manal architecture and construction which these American-bailt slaps will murk is a well give and the construction which these American-bailt slaps will murk is a well give greater tensile streath, which in reachinery, hollers, frames, etc., will give greater power with dead weight. Mr. Schwab grarantees to create vessels with 29 per centum higher efficiency than ary now exists the standard ordinance, of the ships be furned over as early as possible. While the Bethlehem Company, as the time for delivery is a factor. Russin destring that the ships be furned over as early as possible. While the Bethlehem Company will supply the armor and ordnance, other American Struction of the ship post in accordance with the wish of the Admiralty, the Bussian suphorites, in placing such a large sentract, having to dedire to arose hostilly among fivel commercial interests in America, the sim before and the commercial commercial relations between the two countries.

REPUBLIC SPECIAL New York, April 26.-Smarting under the ittacks of his former Heutenant, H. H. Knowles, Gage E. Tarbell to-day appealed to James H. Hyde for protection.

That Mr. Hyde had heeded the appeal of the man who has been accused by Mr. Knowles of being at the bottom of the alleged plot to oust the vice president It was learned that Mr. Tarbell's plea for protection was made personally Tuesday afternoon. In company with W. E. Taylor, supervisor of metropolitan agents, who has succeeded Mr. Knowles as Mr. Tarbell's lieutenant, the second vice president went to Mr. Hyde's office and asked for an interview.

The conference lasted half an hour, and after Mr. Tarbell and Mr. Taylor departed Mr. Knowles:

"Vice President's Office, April 25, 1965—
Dear Mr. Knowles: Mr. Tarbell advises

# TEAMSTERS' STRIKE SPREADS RAPIDLY

Excise Commissioner Punisher William Tigges, Otto J. Senn. D. Demetrokopulos and John Seebold for Violating Law.

The licenses of four saloonkeepers were revoked yesterday by Excise Comm Mulvibil, the penalty for keeping their places open on Sunday.

These revocations, the first penalty imposed on saloonkeepers since the enforcement of the law, were made on the testimony of the policemen on the beats in which the saloons are located, and one or wo other witnesses.
The cases were heard Monday and the

offenses were committed April 15, the first Sunday on which the "lid" was down. The cases against Steve Ryan, No. 2006 Wash street, and John J. Hanlon, No. 1630 Glasgow avenue, were dismissed for want Glasgow avenue, were dismissed for want of evidence.

In the four cases in which the licenses were revoked, the order takes effect midmight Friday.

The police arrested Otto J. Senn at his place of business. No. 1700 North Fourteenth street, after 12 o'clock Sunday morning. His front door was open and he was selling drinks. His heense was revoked.

he was selling drinks. His license was revoked.

Demetrius Demetrokopulos, proprietor of the dramshop at No. 83 Market street, is second on the list of those who lest their licenses.

William Tigges of No. 139 Wash street had closed his place at 12 o'clock, but the police believed that he was still selling liquor, so they sent a neuro with a bettle and 10 cents to purchase some whisky. He returned with the liquor and they sent him back for more. Tigges was arrested when he opened the door to admit him. His license was revoked.

John Sechold of No. 394 Cass avenue was discovered selling heer to eight men in a clubroom adjoining his soloon. The saloon doors on the street were closed, but an open disor led to the clubroom. Four bottles of heer were taken as evidence. The place will close permanently to-morrow night.

The case against Bruno Hermann was continued, as Mr. Mulvibill desires to hear another witness before the case is taken under advisement.

John Sumner of No. 130 North Ninth street, was before the Commissioner charged with allowing gambling in his saloon. The case was taken under advisement.

### ST. MALACHY'S PARISH INDORSES SUNDAY CLOSING.

Pure Home and Protective Associa tion Praises Work of Governor Folk.

At the meeting of the St. Malachy's Pure Home and Protective Association last night in the church hall, Ewing and Clark avenues, resolutions were adopted approving and praising the work of Governor Folk in closing the saloons on Sunday, The Reverend Father Ziegler, the pastor, delivered an address on "Saloons and Gambling the Cause of All Trouble."

He denounced cambling in all its forms He demonreed gambling in all its forms, from card-playing and betting on horse races to stock speculation and the highest planes of high finance.

He declared that drunkenness was a dreadful and loathsome disease which was worse than a crime, and said that every ralconkeeper, brewer and distiller was a party to every crime of the drunkard.

At the next meeting of the organization Father Ziegler will discuss local corporations, the municipal government, the police and other local affairs.

Vandalia-Pennsylvania, best line

## **REVEREND W. H. T. SQUIRES** MARRIED AT MARION, VA.

Bridegroom is Son of General Charles W. Squires.

REPUBLIC SPINTAL Bristol, Tenn... April 31.-Virginia and the city of St. Louis were represented in the marriage of a prominent young couple at Marion Smythe County, Va., at 7:30 o'clock this evening. At that hour Miss Anna Sarah Hull, the daughter of Capmin and Mrs. D. D. Hull of Marion, became the bride of the Reverend William H. T. Squires, a son of Mrs. Charles W. # GALVESTON'S CREW

Petty Officers and Men Find Fault With Treatment Accorded by Commander Cutler of NEW CHARGE New Cruiser.

Galveston, Tex., April 26.-A state of friction almost bondering on mutiny is said to exist on the new United States Cruber Galveston, The vesset arrived here last Wednesday on her maiden trip to receive a silver service from the citizens of Galveston.

The cruiser has been visited by thouands of persons from all sections of the State Yesterday Commander Cutler ordered his ship away from the wharves. Cote Brilliante avenue, a director in the where she has been since her arrival, to Schnelder Wholesale Wine and Liquer an anchorage in the roads, so that the Company of No. 915 Franklin avenue, yesofficers might be better able to control terday afternoon identified Paul Busch, the men, numbers of whom were leaving altas Stratton, as the man who attempted Federal and municipal officers have to- pany stock certificate, which has been pro-

beave.
Federal and municipat officers have today returned nearly two seers of men
found ashore, many of whom were said
to have been intoxicated.
These men vigoriously protested against
the treatment, which they allege is no
corded them on board ship by Commander
Cutler. Men of long service, who came
from the vessel on shore duty, and dalveston persons, who were on board today, sinte that a condition verging en
mutiny is existing there.
The men, among tnem several petty
officers of long service, pronounce the
voyage of the Galveston the most unbearable they have ever experienced,
Many of the men demounced the commander, and state that they are everworked and underfed. They claim that
for the most trivial offense they receive
the extreme penalty, and that sixty of
the men are in irons.
The marines are said to be almost worn
out preserving order on board. The
cruiser sailed for Norfolk to-day.

Yesterday Folice Clerk Opperman went
abourd for the purpose of retarring some
effects taken from men arrested for intoxication. He was mistaken for a beauty Marshal, and, while waiting for an offeer, was attacked by a crewd of jackles,

BLOOD POISON MAN'S GREATEST

than any other to wreck, ruin and humiliate life, is Contagious Blood Poison. Sorrow, shame and suffering go hand in hand with this great enemy, and man has always hated and fought it as he has no other disease. It is the most powerful of al poisons; no matter how pure the blood may be, when its virus enters, the entire circulation becomes poisoned and its chain of horrible symptoms begin to show. Usually the first sign is a small sore or ulcer, not at all alarning in appearance, but the blood is being saturated with the deadly poison and soon the mouth and throat begin to ulcerate, the hair and evebrows drep out, a red eruption breaks out on the body, copper-colored splotches and sores make their appearance and the poison even works down into he bones and attacks the nerves. Not only is the disease hereditary, leing transmitted from parent to child, in the form of scrofula, weak eyes soft bones, weak, puny constitutions, etc., but is also so highly contagious that many a life has been ruined by a friendly hand shake, or from using the toilet articles of one infected with the poison. To cure this blighting, deadly curse the

blood must be purified, and nothing will do it so quickly and surely as S. J. S. It goes down to the very bottom of the troube, drives out every particle of the poison and make the blood clean and strong. It does not hide or cove up anything, but from the first begins to expel the poison and build us and strengthen the system. S. S. S. is guaranteed purely vegetable. We offer a reward of \$1,000 for

proof that it contains a particle of mineral d any kind. Book on the disease, with instructions for home treatment, and any advice desired, without THE SWIFT SPECIFIC CO., ATLANTA, CA.
